

## Songbird Eva Cassidy

For you, there'll be no more crying  
For you, the sun will be shining  
And I feel that when I'm with you  
It's alright, I know it's right

To you, I'll give the world  
To you, I'll never be cold  
'Cause I feel that when I'm with you  
It's alright, I know it's right

And the songbirds are singing, like they know the score  
And I love you, I love you, I love you, like never before

And I wish you all the love in the world  
But most of all, I wish it from myself

And the songbirds keep singing, like they know the score  
And I love you, I love you, I love you  
Like never before, like never before, like never before
